July 25, 2023

To Whom It May Concern,

I am pleased to write this letter of recommendation for Mr. Krish Nagrecha, who completed his internship at Origin 33 from 1st June 2023 to 15th July 2023.

During his time with us, Krish was a valuable member of our Social Media Department, specifically working under the Content Creation Team. His dedication, creativity, and passion for the fitness industry were evident in every aspect of his work.

As an intern, Krish consistently demonstrated exceptional skills in content creation for social media platforms. He has a keen eye for detail and a deep understanding of our brand's identity, which enabled him to produce engaging and compelling content that resonated with our audience. Whether it was crafting eye-catching visuals or writing captivating captions, Krish's work consistently exceeded our expectations.

Krish's ability to work collaboratively with his team members was commendable. He actively participated in brainstorming sessions, contributing innovative ideas and solutions. He was also receptive to feedback and always sought ways to improve and refine his work.

Moreover, Krish exhibited a high level of professionalism and adaptability throughout his internship. He handled tight deadlines and challenging tasks with poise and determination, never compromising on the quality of his work. His positive attitude and eagerness to take on new challenges were appreciated by his colleagues and supervisors alike.

I have no doubt that Krish's exceptional skills and work ethic will make him a valuable asset to any organisation he joins. His passion for the fitness industry and his proficiency in content creation make him a natural fit for roles in marketing and social media management.

It is with great pleasure that I highly recommend Krish Nagrecha for any future opportunities that come his way. He is not only a talented individual but also a person of integrity and reliability.
